

DISCOVERING OF THE ZEROSPIKE RESEARCH PROJECT

ZEROSPIKE PROJECT - Short summary on the Spike Protein -

DR. LORETTA BOLGAN

Doctor of Chemistry and Pharmaceutical Technology
Doctorate in Pharmaceutical Sciences
Scientific Consultant

zerospike.org

ZER  **SPIKE**
Detoxifying Humanity

AN ITALIAN CIVIL SOCIETY ASSOCIATION LAUNCHED A MULTIDISCIPLINARY RESEARCH PROJECT ON COVID IN EARLY 2020:

- OVER 2,000 PAGES OF SCIENTIFIC PUBLICATIONS
- THE MAIN PROBLEM OF LONG COVID AND VAX DAMAGE WAS DISCOVERED: THE HIGHLY **TOXIC SPIKE PROTEIN**
- SURPRISINGLY, THEY HAVE ALSO FOUND A REAL **REMEDY** TO **DETOXIFY** SPIKE

Scientists worldwide have found the same
about the role of the spike protein

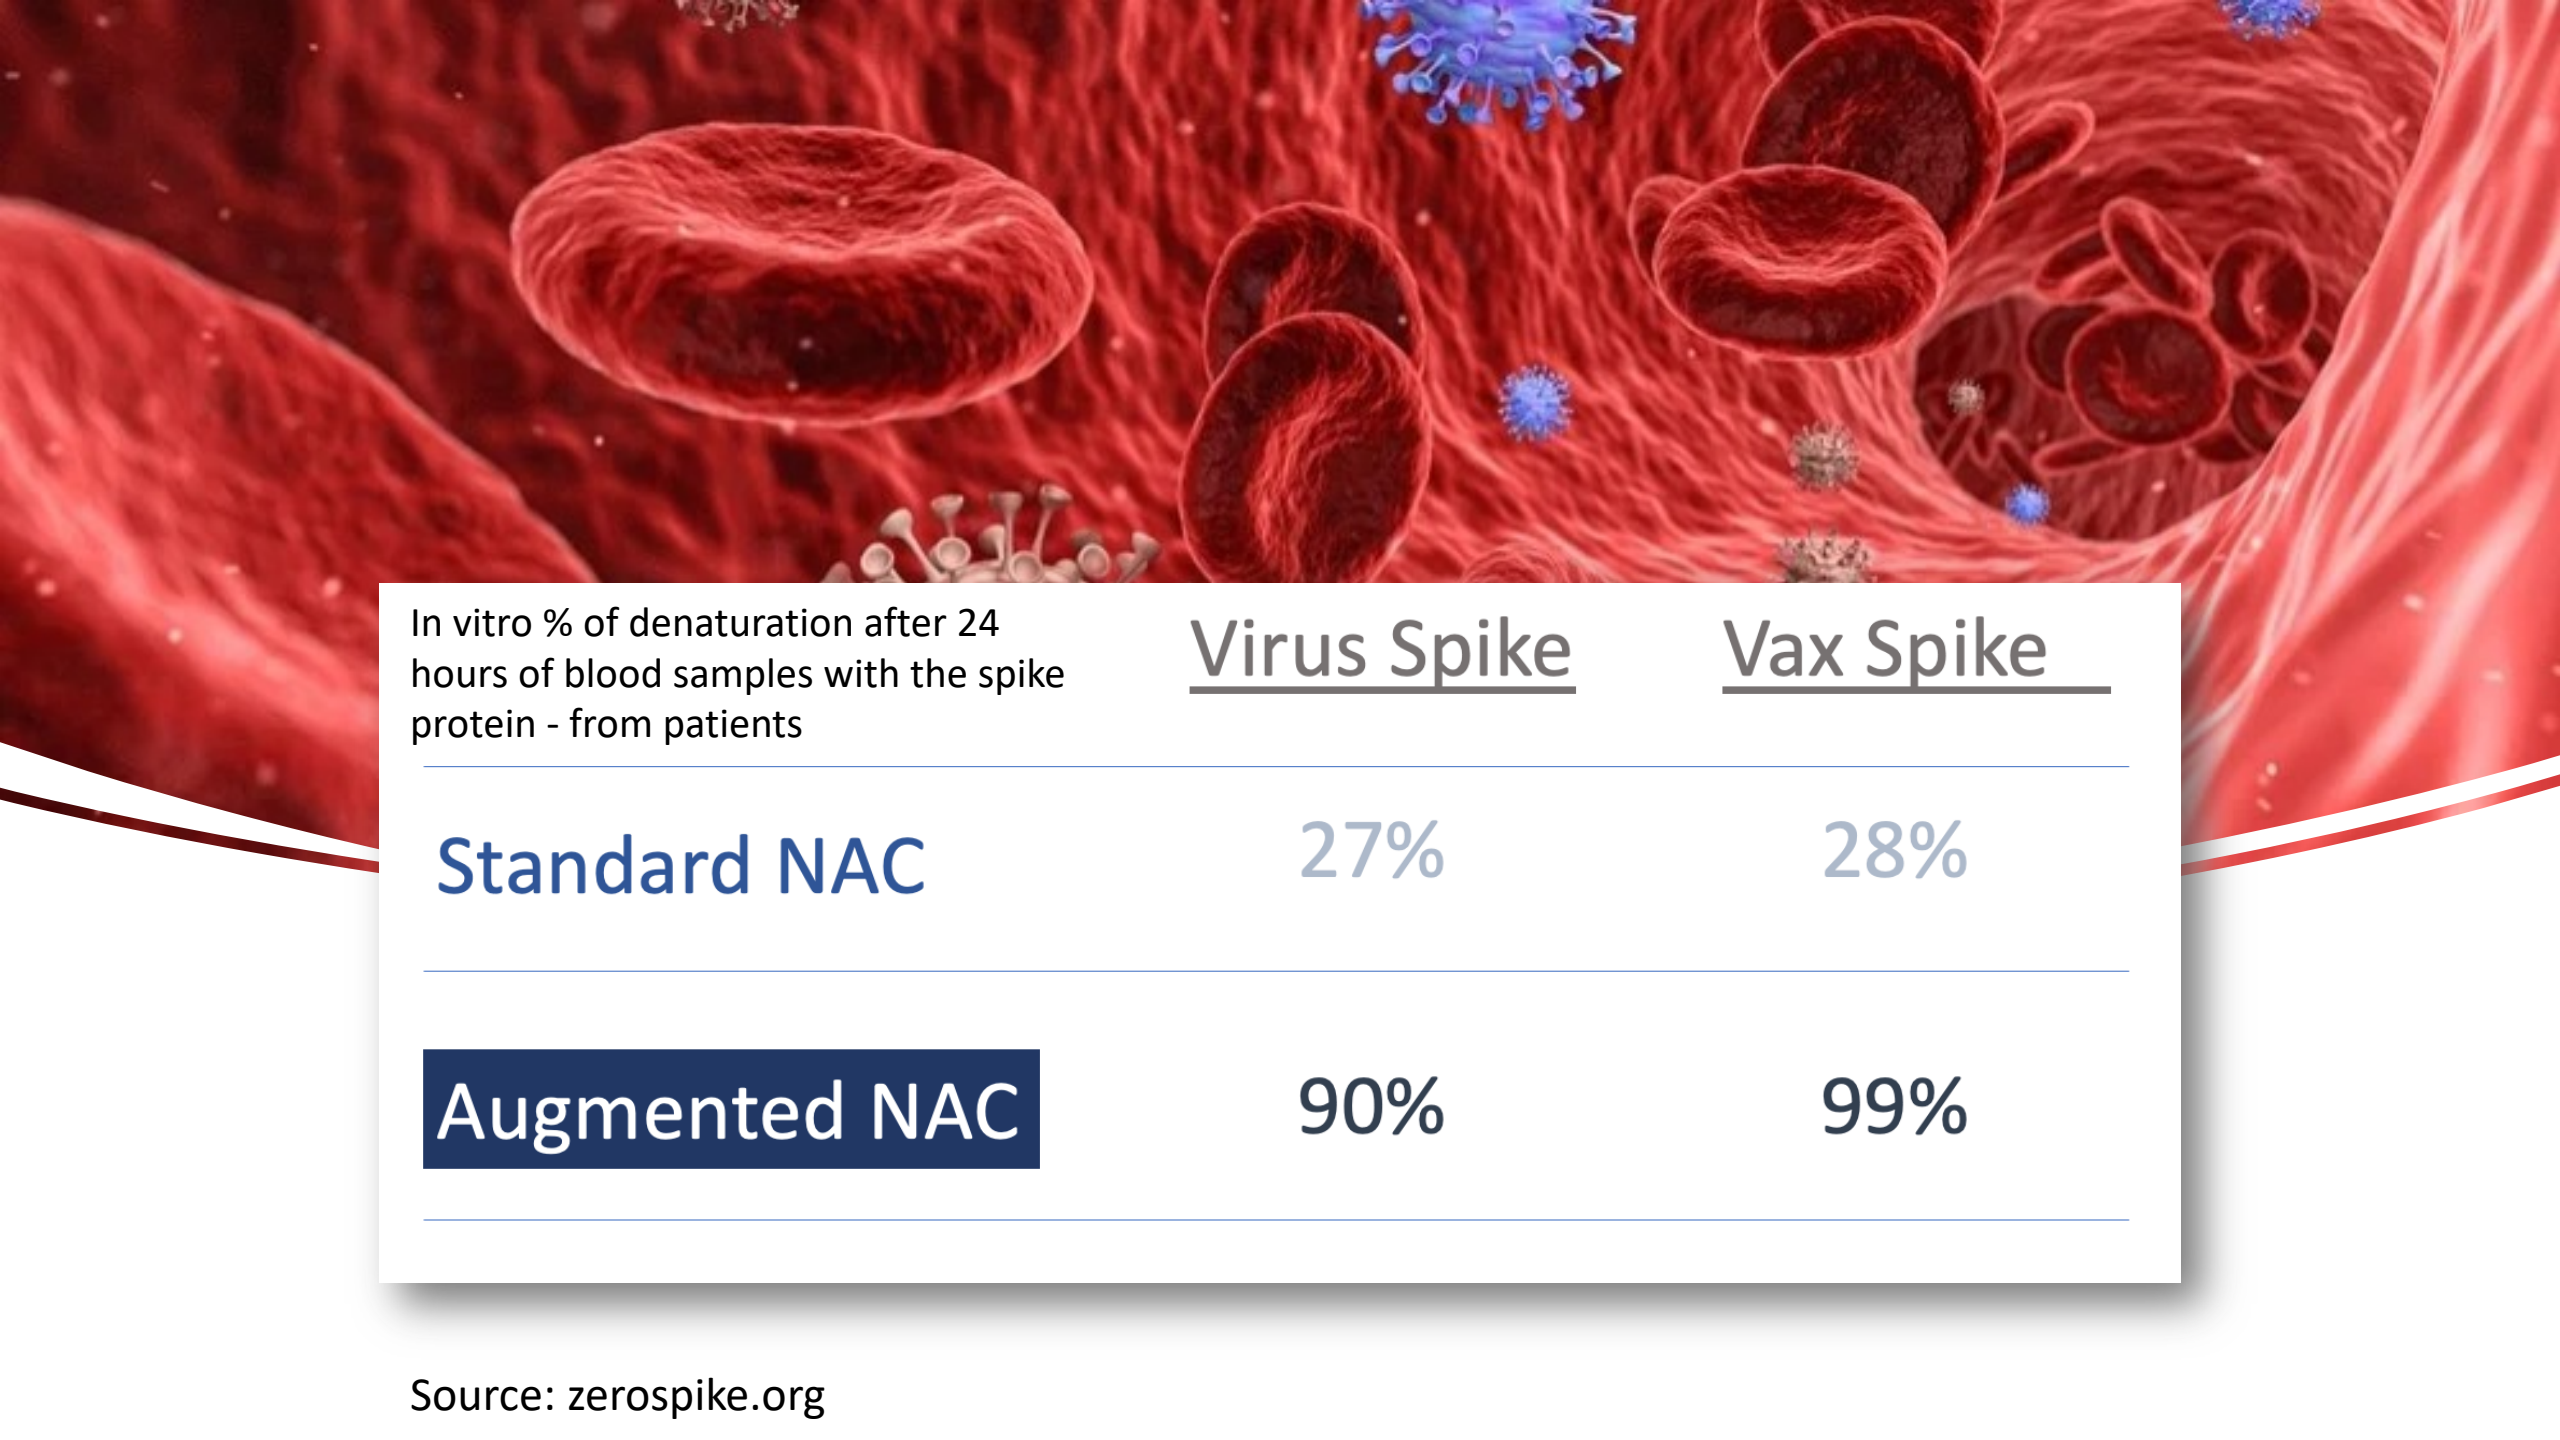

Dr. Stephanie Seneff
Senior Research
Scientist at the MIT
(Boston, USA)

THE ROLE OF (AUGMENTED) NAC IN THE DENATURATION OF SPIKE PROTEINS

| TYPE OF NAC | TIME SPAN | DENATURATION % |
|---------------|-----------|----------------|
| STANDARD NAC | 0 | 3 |
| | 90 min | 10 |
| | 12 hours | 11 |
| | 24 hours | 12 |
| AUGMENTED NAC | 0 | 2 |
| | 90 min | 40 |
| | 12 hours | 77 |
| | 24 hours | 99 |

Laboratory results: % denaturation of Spike protein on receptors of mesenchymal cell lines.

In vitro % of denaturation after 24 hours of blood samples with the spike protein - from patients

Virus Spike

Vax Spike

Standard NAC

27%

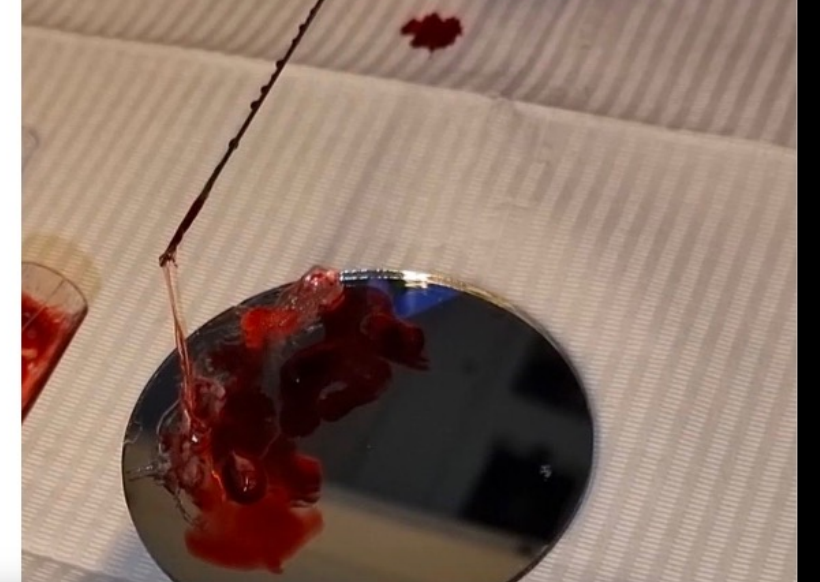

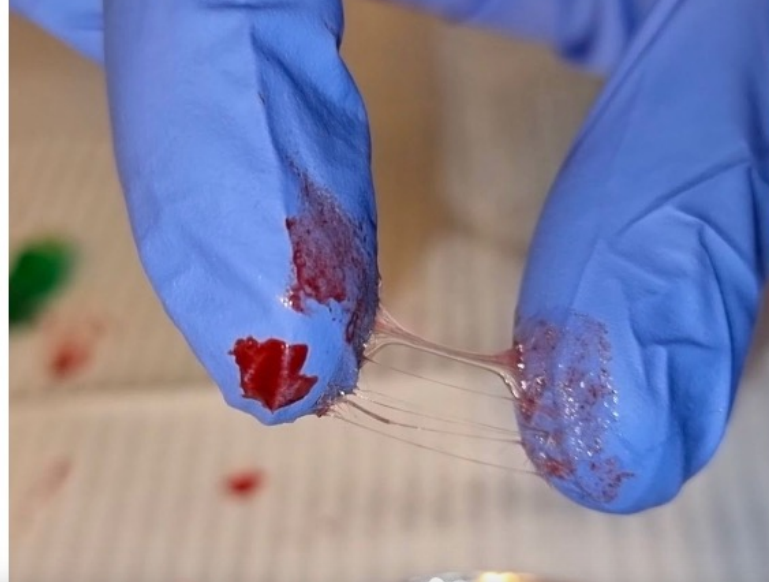

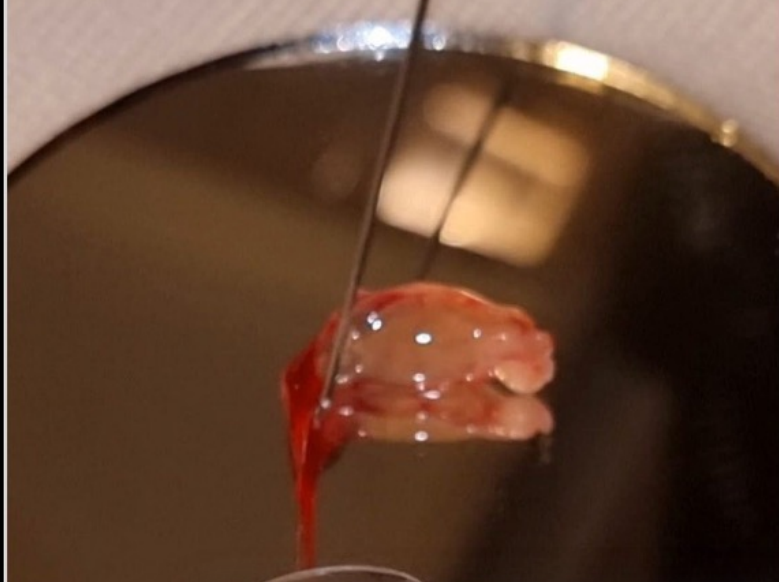

28%

Augmented NAC

90%

99%

FIBROSIS CLOTS AND AUGMENTED NAC (*in-vitro*)

5. RESULTS OBTAINED

Table 2 shows the degree of aggregation in percent of the complex detected in the absence and presence of Augmented NAC (2 $\mu\text{g}/\text{mg}$).

Table 2: List of samples analyzed

| ID | Degree of aggregation % in absence of Augmented NAC | Degree of aggregation % in presence of Augmented NAC |
|----|---|--|
| 1 | 89 | 32 |

MORE IN-VITRO RESULTS AVAILABLE UPON REQUEST TO THE ZEROSPIKE RESEARCH TEAM

BUT WHAT ABOUT IN-VIVO?

AUGMENTED NAC – IN VIVO RESULTS SO FAR

- FROM JANUARY 2022 TO DATE, **OVER 20,000 PEOPLE** WITH VAX INJURES AND LONG COVID TOOK AUGMENTED NAC AND REPORTED SIGNIFICANT AND LONG-LASTING IMPROVEMENTS IN THEIR HEALTH STATUS (Source: ZeroSpike Team; s. Testimonials on zerospike.org and augmentednac.com)
- IN-VIVO **COMPARATIVE TESTS** BY ITALIAN ONCOLOGIST DR. PANTANO
- NEW **URINE SPIKE TEST** SEEMS TO PROVE SPIKE DETACHMENT AND METABOLIZATION
